### **AIPSO Supports the Wrestlers Struggle**

The All India Peace and Solidarity Organisation (AIPSO) extends its support to the Mahapanchayat organised on 28<sup>th</sup> May 2023 in support of the protesting wrestlers against the Wrestling Federation of India (WFI) chairman Brijbhushan.

The AIPSO demands the immediate arrest of Brijbhushan, who is also a member of Parliament and charged under the POCSO. It is shameful that the central government has till date not arrested Brijbhushan in spite of what the POCSO law stipulates. This is not the way to treat the wrestlers who won many medals for India.

A delegation of the AIPSO participated in the sit-in demonstration of the wrestlers being held in Jantar Mantar, Delhi on 27<sup>th</sup> May 2023 and expressed their solidarity. They condemned the attitude of the central government and also the Delhi police, who act under its supervision. The AIPSO, they reiterated, stands against all forms of discrimination, harassment, and violence. They promised the wrestlers that AIPSO will play an active role in mobilising mass support to their struggle and will stand with them till their just demands are met.
